

Environmental Policy

Core Consulting Group recognises that it has a responsibility to the environment beyond legal and regulatory requirements. We are committed to reducing our environmental impact and continually improving our environmental performance as an integral part of our business strategy and operating methods. We will continually refine ways we can reduce our carbon footprint, through recycling, re-using and switching off.

We will encourage customers, suppliers and other stakeholders to do the same. Through our engagements we will seek to minimise printing and waste.

Policy Aims

We endeavour to:

- Comply with and exceed all relevant regulatory requirements.
- Continually improve and monitor environmental performance.
- Continually improve and reduce environmental impacts.
- Incorporate environmental factors into business decisions.
- Increase employee awareness and training.

Paper

- We minimise the use of paper in the office.
- We reduce packaging as much as possible.
- We seek to buy recycled and recyclable paper products.
- We reuse and recycle all paper where possible.

Energy and Water

- We seek to reduce the amount of energy used as much as possible.
- We use green energy as part of our electricity source.
- Lights and electrical equipment are switched off when not in use.
- Heating will be adjusted with energy consumption in mind.
- The energy consumption and efficiency of new products will be taken into account when purchasing.

Office Supplies

- We evaluate the environmental impact of any new products we intend to purchase.
- We favour more environmentally friendly and efficient products wherever possible.
- We reuse and recycle everything we are able to.

Transportation

- We reduce the need to travel, restricting to necessity trips only.

- We promote the use of travel alternatives such as e-mail or video/phone conferencing.
- We make additional efforts to accommodate the needs of those using public transport or bicycles.

Maintenance and Cleaning

- Cleaning materials used will be as environmentally friendly as possible.
- We only use cleaning providers that use bio-degradable and environmentally friendly cleaning products wherever possible.
- We only use licensed and appropriate organisations to dispose of waste.

Monitoring and Improvement

- We comply with and exceed all relevant regulatory requirements.
- We continually improve and monitor environmental performance.
- We continually improve and reduce environmental impacts.
- We incorporate environmental factors into business decisions.
- We increase employee awareness through training.
- We review this policy annually

Culture

- We involve staff in the implementation of this policy, for greater commitment and improved performance.
- We update this policy at least once annually in consultation with staff and other stakeholders where necessary.
- We provide staff with relevant environmental training.
- We work with suppliers, contractors and sub-contractors to improve their environmental performance.
- We use local labour and materials where available to reduce CO2 and help the community.
